

Re-Certification Required Every 5 Years

Effective May, 2022

In order to be recertified you must complete steps 1-4 and choose either A or B from step 5:

1. Obtain and be using the current IRPS Screening Manual (11th Edition, Winter 2010; ©1987-**2017**) and IRPS Test Records (**1988-2021**). Using the changes for scoring presented at the International Conference in the UK 2019. The PPT with the changes can be obtained from the Irlen Institute.
2. Join the Irlen Screener Network on Facebook <https://www.facebook.com/groups/294858331091270/>.
3. Sign-up for the Irlen NewsAlert on the Irlen Website <https://irlen.com/>.
4. Submit \$20.00 for the recertification processing fee.
5. Choose one of the following:
 - (A) Re-attend an Irlen Screener Training Course. *This is the preferred method as you will receive the most up-to-date information during this course.*
 - (B) Using the above editions of the IRPS Manual and Test Record, screen one child with parent and send in a copy of the completed IRPS Test Record, Self-Test for Irlen Syndrome, Short Intake, and Checksheet Report for that client to the Irlen Institute. AND View two of the Professional Development Opportunities below and submit a 1-page summary of what you have learned

Please note: If your Screener certificate lapsed more than 6 months ago you will need to attend an Irlen Screener Training Course in order to have it reinstated.

Professional Development Opportunities

- ✚ Toxic Environment and Irlen Syndrome, opening presentation by Helen Irlen from the Irlen International Conference in Manchester, UK (2019). Please contact the Irlen Institute for the PowerPoint Presentation.
- ✚ Irlen Research Updates 2021 by Dr. Sandra Tosta. Please contact the Irlen Institute for the PowerPoint Presentation.
- ✚ Visual Perception Course by Duke University: Module 1, 4 videos on the visual pathway and visual cortex and Module 2, 1 video on Seeing Color, Light and Color. This online course is free to audit online. <https://www.coursera.org/learn/visual-perception>
 - Module 1, Organization of the Human Visual System: Video: The Primary Visual Pathway (part 1)
 - Module 1, Organization of the Human Visual System: Video: The Primary Visual Pathway (part 2)
 - Module 1, Organization of the Human Visual System: Video: The Visual Cortex (part 1)
 - Module 1, Organization of the Human Visual System: Video: The Visual Cortex (part 2)
 - Module 2, Seeing Color: Video: Light and Color
